

FEATURES & SPECIFICATIONS

Mar a Cielo is Cabo del Sol's newest real estate offering. The architecture, interiors, and landscapes interpret this special place through a modern lens. From the outside in, every residence reflects the warm, luxurious climate and natural beauty of the sun-drenched Baja Peninsula.

OVERVIEW

- Exclusive collection of 36 ocean view residences
- Prime location within Cabo Del Sol which is undergoing a major expansion, with new luxury hotels and investment in resort amenities estimated at hundreds of millions of dollars
- Contemporary architecture integrating use of natural materials and modern design
- Spacious two and three bedroom floorplans are being offered fully furnished and turnkey ready for move-in
- Developed by Replay Destinations – renowned for creating luxury destinations and communities that immerse homeowners and guests in a rich array of playful, social, and active experiences.

AMENITIES

- Private gate at entrance to Mar a Cielo community
- Expansive pool deck oriented to ocean and golf course views
- Poolside cabana with outdoor kitchen and seating for homeowner events
- Covered parking and large equipment storage for each residence
- Opportunity for membership at the forthcoming La Playa Beach Club – to include fitness center, seaside pool, day camps for children, and event lawns
- Opportunity for membership privileges at the Cabo Del Sol Desert Course

INTERIORS

- The modern aesthetic highlights endless ocean views, with a seamless transition between indoor and outdoor living spaces
- Open concept living rooms flow with ease into dining and kitchen areas
- Finishes reflecting the natural environment enhance the interiors: wood and stone add texture and character to living spaces
- Travertine flooring throughout living, dining and kitchen areas
- High ceilings with expansive windows to maximize natural light and views
- Oversized stained wood interior doors with rubbed bronze door hardware
- Washer and dryer in each residence
- Office/Flex space in two-bedroom plans
- Air conditioning throughout all residences with ceiling fans in each bedroom
- Fully furnished with contemporary furniture designed for comfort and luxury by Suarez Segui Design
